Many of our customers have recently curtailed routine business travel or are adding more remote workers this year?

We anticipate high demand and so we are offering you an opportunity to quickly add extra remote meeting capacity with a variety of cloud and on-premise solutions that can expand and integrate with any of your existing systems – **NEC, GoToMeeting, Polycom Video, Microsoft Office 365 Teams, Zoom, Google Hangouts and more.**

It's easier than ever to add extra capacity with flexible, high quality solutions that don't have to cost a fortune. We charge you no fees for a assessment to determine how these technologies will help you communicate with your customers and employees. **These UCaaS solutions include Social Media, SMS, Text, Chat and email all managed on one desktop dashboard. We can help our customers ramp up remote meeting capacity in as little as 2 weeks.**
